¹ According to plaintiff's counsel, the individual identified in the caption of the complaint as "NYC Police Officer Dennis Estwick" was recently served with a copy of the summons and complaint. To date, however, the Office of the Corporation Counsel has not received a formal request for legal assistance from Officer Estwick. Accordingly, without appearing on Officer Estwick's behalf, in the event that he was properly served, the parties agree that the same extension be granted to Officer Estwick in order to ensure that his defenses are not jeopardized while representation issues are being decided.
